CORAL SEA 2020

OUTSIDE EDGE ADVENTURES FISHING CHARTERS

DEPARTING FROM AIRLIE BEACH, WHITSUNDAYS QUEENSLAND, AUSTRALIA

Discover the very heart of the iconic Great Barrier Reef. Be guided by our highly experienced crew and fish some of the most remote, complex Coral Reef systems of the Outer Great Barrier Reef and Coral Sea.

THE HEART OF THE GREAT BARRIER REEF

You will fish in comfort on board our 108ft mothership and specialised fishing vessels. Two additional mothership RIB tenders are used for dropping passengers snorkelling, spearfishing or to coral and sand cays.

Your trip of a lifetime departs from the easily accessible Airlie Beach, in the beautiful Whitsundays. You will be greeted by the friendly staff on board the mothership and begin the journey, sailing through the picturesque 74 tropical islands of the Whitsundays, whilst enjoying a beautiful sunset. Leaving the island paradise and postcard sunset in our wake, your journey will continue overnight and travel to the remote coral reef systems of the Outer Great Barrier Reef and Coral Sea, which is nothing short of spectacular.

By day, after a delicious breakfast, you will fish for everything from delicious reef fish, including Red Emperor and Coral Trout, to iconic sportfish including Giant Trevally, Marlin, Sailfish, Mackerel, Yellowfin Tuna, Dogtooth Tuna, Mahi Mahi and Wahoo.

By night we anchor in the large, calm, sheltered Coral Reef lagoons, where you will enjoy chef prepared dinners and maybe even a cold beverage (available at the licensed bar) while recapping the day that was.

LIVE ABOARD CHARTERS

To match the quality of fishing, the food and service on board our mothership is superb. Chef prepared meals, table service, a licensed bar and fully serviced air conditioned, ensuited twin-share bunk cabins are all provided to ensure you are well fed and well rested!

Spear and fly fishing charters are also available on request.

Custom trips incorporating sight-seeing, island hopping, snorkelling and fishing can also be accommodated for private groups.

LIVE ABOARD FISHING CHARTERS

WE TAKE A MINIMUM OF 12 AND MAXIMUM OF 14 PASSENGERS ON SHARE CHARTERS.

If you have a group of 12 or more we are happy to make your trip a private charter and encourage you to enquire about organizing custom dates and charter durations that suit. If you have a group of less than 12 but would still like a private charter, please contact us to discuss rates.

We are more than happy to discuss custom private charters incorporating the perfect mix of fishing, snorkeling and exploring the Whitsunday Islands, Whitehaven Beach and Outer Great Barrier Reef!

TACKLE

Guests are to bring their own personal fishing equipment, including rods and reels. A basic range of rods and reels for heavy GT lure casting, light lure casting and jigging are available, if required. Guests are required to bring specialised tackle including poppers, soft plastics, jigs and additional terminal tackle. Special lures and Jig packs can be organised prior to the trip if you wish. Heavy tackle trolling rods and trolling lures are included. If guests wish to fly fish, own tackle, flies and rods must be provided.

DESTINATIONS

We travel to the isolated reef systems of the Coral Sea, which have received little or no fishing pressure. These reefs often have small to large sand/coral cays surrounded by crystal clear fringing reefs which then plummet vertically straight down to over 1000 metres providing a haven for the tropical species in which we target.

GETTING HERE

Charters depart from Airlie Beach, the heart of the Great Barrier Reef, in Queensland, Australia. There are daily flights to either the Whitsunday Coast (Proserpine) or Hamilton Island (Great Barrier Reef Airport). If you're arriving by plane, the charters are structured in a way that additional accommodation is typically not required and you should be able to travel directly from the airport to the charter, and vice versa.

There are many companies which provide travel to the marina from the Whitsunday Coast (Proserpine) & Hamilton Island Airports. We recommend "Heart of the Reef Shuttles" if you fly into the Whitsunday Coast Airport and Cruise Whitsundays Ferry service if you intend on flying into Hamilton Island.

For our international guests, connect to the Whitsundays via flights from Sydney, Melbourne, Brisbane or Cairns. We are more than happy to assist with organizing transfers and any other logistics for your trip.

PAYMENT DETAILS

25% deposit due to secure charter.

25% due 3 months before the charter.

50% balance due a week before the charter.

Deposits are non-refundable but may be transferred to another suitable date provided that minimum 6 months' notice is provided. Guests are required to have travel insurance to cover unforeseen circumstances due to inclement weather. In the event that a charter is unable to proceed due to inclement weather, alternative dates will be arranged.
